

Remarks

This Reply is in response to the Final Office Action mailed on July 10, 2008 in which claims 38, 41-43 and 45-54 were rejected and the Advisory Action dated October 21, 2008 in which it was indicated that the proposed amendments in an after Final response filed on September 10, 2008 would result in claims 38, 41-43, 45 and 46 being allowed, claims 49-51 being objected to and claims 47, 48 and 52-54 being rejected. With this response, the claims are once again amended as in the after Final response filed on September 10, 2008. In addition, objected to claim 49 and its intervening claim 48 are canceled their limitations incorporated into base claim 47. Claims 50-52, which previously depended from claims 48 and 49, are amended to now depend from claim 47. Accordingly, the amendments are believed to place the application in condition for allowance. In particular, claims 38, 41-43, 45, 46, 47 and 50-54 are presented for reconsideration and allowance.

The Examiner is invited to contact the undersigned by telephone if it is felt that a telephone interview would advance the prosecution of the present application.
